

You've got the charger, we've got the pedestal!

Introducing RAB Design Lighting's New EV Pedestal

The right solution for your electric vehicle charging needs.

- ✓ Sleek and Modern design
- ✓ Easy To Install
- ✓ Rapid Turnaround Time
- ✓ Affordable

The EV Pedestal Series is currently compatible with FLO Home™ X5 & G5 & FLO CoRe+™ & CoRe+™ MAX chargers.

Have another charger in mind? No problem, we can work with you to modify it to your charger of choice.

Here's How:

-  **Step 01**
Select your EV Charger.
-  **Step 02**
Contact RAB Design for an initial assessment.
-  **Step 03**
Send us a spec sheet of your EV Charger.
-  **Step 04**
RAB designs a solution for you.
-  **Step 05**
You approve.
-  **Step 06**
We sign off and proceed to mass produce your EV Pedestal.

EVP is our MVP

The perfect complement to electric vehicle chargers in North America

Ideal for:

- ✓ Garage
- ✓ Parking Lots
- ✓ Curbside Parking

The pedestal **made for you.**

DESIGN

- Extruded Aluminum body allows fixture to withstand extreme weather conditions.
- 8" Bolt Circle Diameter provides sturdiness to the pedestal and allows for in/out connections to daisy chain multiple chargers.

FINISH

- Standard finish is Sandtex Black.
- Custom colour available.

EASY TO INSTALL

- Quick removable top cap and base provides easy access for wiring and servicing.
- Zinc plated anchor bolts on the base plate are hidden from the line of sight.

ACCESSORIES

- Zinc plated anchor bolts that resist corrosion and surface wear are provided with the kit along with the template for drilling pattern.
