LFY4-LED

LINEAR VAPOURPROOF FIXTURE

Stainless Steel Clips

Housing designed to avoid clips falling. Also, fewer clips required while maintaining NEMA 4X and IP66.

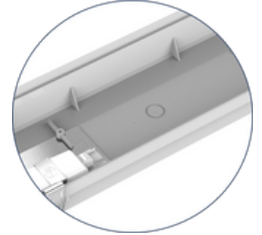

Wider Profile

4.6" wide to cover standard junction box.

Perfectly Flat Housing Back

Leaves no gap with mounting surface.

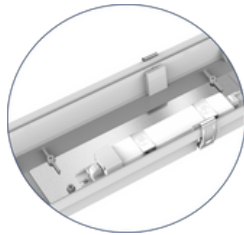

Straightforward Assembly

2 Conduit entries at each end, and guide marks at the back for conduit entries.

Fewer Components

Reducing the number of pieces making it easier to install.

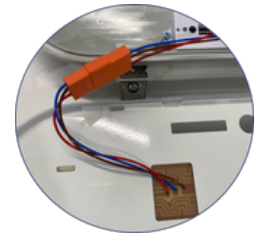

Offset Driver

Driver is offset from the center and comes with 1' long input cable.

Cover for CCT and Wattage Switches

Prevents accidental changes to settings.

Quick Disconnect

Detach housing and lens/LED board easily.

IDEAL FOR:

- ✓ Food Processing & Storage
- ✓ Live Stock Barns
- ✓ Agricultural Applications
- ✓ Industrial Applications
- ✓ Underground Parking Garages
- ✓ Warehouses
