

VBKS100CG WEATHER PROOF

The VBKS100CG fixture is weather proof rated for use indoors and outdoors. Great for use in industrial applications or for residential and commercial applications where you want an industrial look with a bit of flair with a painted finish and coloured glass. For custom versions of this and other weather proof fixtures please visit our web site and look under architectural in the products section.

BOX Cast zinc with 3 plugs 1/2" npt (also available with 3/4" npt), ground screw and cork gasket.

FITTER Threaded die cast with cork gaskets.

SOCKET Porcelain, medium base, 4KV pulse rated socket with a nickel-plated screw shell and a spring-loaded centre contact.

GLOBE Standard unit comes with clear globe, also available are coloured globes. There are two types of coloured globes available. The GL glass is painted on the inside. The second type of glass is the RGL series, which has a more brilliant colour. This is achieved by having the colour added while the glass is being made. Both types of glass are available in the following colours amber, blue, green, red and white.

GUARD Die cast, threaded with set screw for locking guard in place.

MAXIMUM WATTAGE 100 watt incandescent.

LAMP Not included.

APPROVAL CSA

FINISH Standard finish is raw. Also available are units painted with a polyester powder coat finish. Some of the most common colours are black, red, white and blue. For other colours please consult factory.
