Designed in the Field by Canadian Engineers, Designers, and Contractors – Not the Boardroom

Secure Mounting Latches
Stainless-steel clips that stay put —no more lost or broken pieces.

Quick Disconnect
Easily detach the housing and lens/LED board for faster maintenance.

Less Fuss, Faster Install
Two-part design allows a smoother setup and requires less handling.

Tool-less Fixture
Tool-less design with minimal clips for faster installation.

Optimized for Standard Box
Wide enough to cover standard 4" junction box.

Lighting Made Simple from Purchase-to-Performance

Simple to Buy:

In stock and ready to ship in all sizes.

Simply to Manage:

Wireless lighting management with RAB DESIGN's ControlLED app.

Powered by Intentional Engineering:

Real-world design delivering fewer steps and fewer surprises.

Compatible with:

CONTROLLED

Harnessing the power of Bluetooth Mesh technology, ControlLED by RAB DESIGN enables the seamless control of lighting fixtures, meeting your lighting control needs how you want them, when you need them.

Lighting Your Way.
Simple by Design.
