

RAB DESIGN Ceiling Panels

CPLH Series

The contractor trusted RAB DESIGN Panel CPLH just got better. With improved efficacy, DLC 6.0 Premium listing, and maximum rebate potential the latest upgraded panel is the perfect solution for indoor offices, schools, and more.

Including the RAB DESIGN pioneered sensor socket on the frame, rather than the lens, so contractors can add sensor-enabled Bluetooth controls without creating shadows or uneven light distribution.

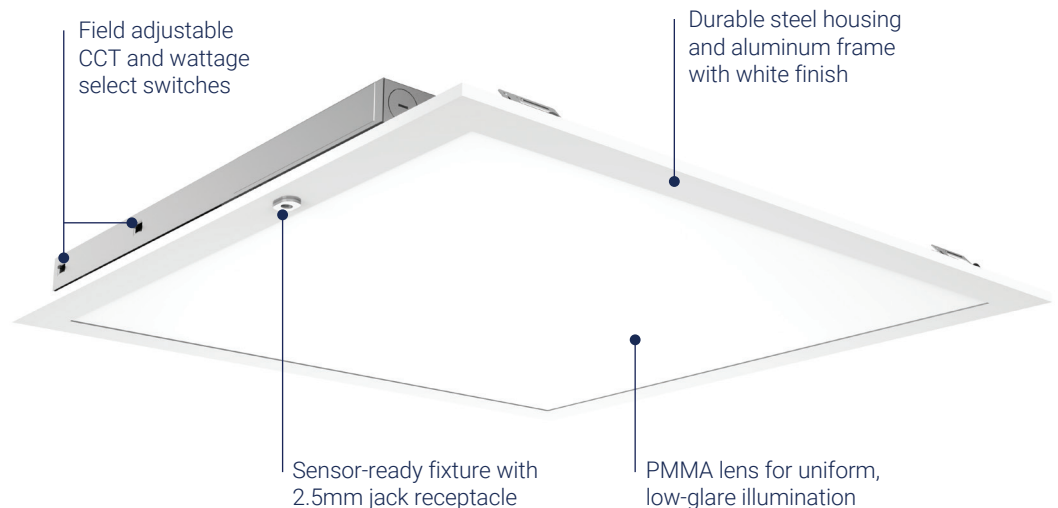

Familiar Design. Superior Performance.

RAB DESIGN's CPLH is the fixture you already know and trust, now upgraded to perform even better.

- ✓ **Better Efficacy:** Now delivering >150 lm/W for greater efficiency and performance.
- ✓ **DLC 6.0 Premium listed,** meeting the requirements for the highest rebate tier.
- ✓ **Frame-integrated sensor** keeps the panel sensor-ready without compromising light distribution.

**A Proven Design,
Made Better**

Compatible with:

CONTROLLED

Harnessing the power of Bluetooth Mesh technology, Controlled by RAB DESIGN enables the seamless control of lighting fixtures, meeting your lighting control needs how you want them, when you need them.

**Lighting Your Way.
Simple by Design.**
