

Smarter Design With Better Performance

RAB DESIGN SMWN-LED
Performance Series

Surface Mount Wrap

RAB DESIGN SMWN-LED Performance Series

Add selectability, higher efficacy and DLC 6.0 Premium performance, and you get a wrap that delivers **more where it matters.**

IDEAL FOR: ✓ Stairwells ✓ Foyers ✓ Hallways ✓ Utility Areas

SMW4N - 4ft Version

SMW2N - 2ft Version

Simpler Wiring:
Wiring can be done inside or outside the fixture.

Expansive space for wiring and other accessories.

Hinge open design enabling hassle-free installation.

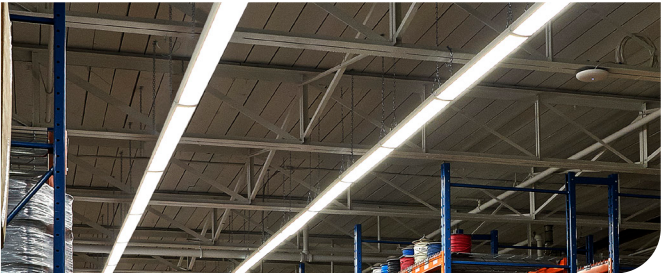

Knockouts on the end of fixture for wiring ease.

LED is conveniently attached and protected in a hinged compartment.

Simpler to Install.

- New hinged opening for fast, simple access to wiring.
- No need to remove the lens during install or maintenance.
- Expansive space for wiring and other accessories.

Better Performance.

- The latest RAB Wrap is **DLC 6.0 Premium** listed.
- Higher efficacy with lower wattage – dropped from 46W to 35W.
- All models are CCT selectable.
- Every model comes sensor-ready for Bluetooth® and stand-alone controls.

Better Savings.

- Energy savings through improved efficacy and a lower wattage.
- Lower operating costs through improved efficiencies for install and maintenance.
- DLC 6.0 Premium listed under the Linear Ambient and Lowbay Categories (rebates vary by province).
