

## ALUMET CONTROL DIRECT - BY THORN

*This simple and sleek lighting column, with a glass lens prevents the direct view of the lamp, limiting glare. The reflector in the top of the column offers good levels of illumination while the lens which covers the lamp, shapes the lighting distribution (symmetrical) and limits obtrusive light.*

**HEAD** 1.25 meter head sealed and rated to IP65 with cast aluminum top cap.

**DIFFUSER** Clear UV stabilized PC diffuser treated with anti-graffiti varnish

**COLUMN** Available with a 3 or 4 meter column, that can be surface mounted or direct burial.

**BALLAST** Electronic ballast 35 or 70 watt Ceramic Metal Halide or 45, 60 or 90 watt Cosmopolis ballast by Phillips.

**LAMP** Included.

**FINISH** Standard finish is silver grey. Custom colours available.

**OPTIONS** 180° decorative aluminum lamp shield available with arabesque or square pattern. Other patterns available on request.
