

LEGEND CLASSIC - BY THORN

An elegant classic shaped post top luminaire for use in historical areas, towns and older parts of cities. The Legend Classic produces a "virtual glow effect" when lit. Precise light distribution ensures no direct upward light making it ideal for areas where light pollution is a concern. The optics can be rotated in increments of 45° allowing you to maintain uniform visual appearance and offer different distributions.

BODY Die-cast aluminum with a dark grey powder coat finish.

REFLECTOR Pure aluminum can be rotated in 45° increments.

LENS Clear tempered glass.

BALLAST Core and coil ballasts Tri-Tap. Electronic ballasts also available.

SOCKET Medium base porcelain 4KV rated socket.

MOUNTING Slip fits a 3" tenon.

LAMP Included

WATTAGES 70 and 150 watts in Metal Halide and High Pressure Sodium.

FINISH Standard finish is dark grey. Custom colours are available.

OPTION Illuminated top cap.
