SPECIFICATIONS

Construction

The DWL1-LED18 is made from durable polycarbonate housing. It has a frosted lens and a reflector to limit light losses. The unit has an elegant looking curved contour with a slim profile of 3.1" from the wall. Unit has a cast aluminum back plate for optimal heat sinking.

Mounting

The DWL1-LED18 has two conduit entries, one on the bottom and one at the back and mounts directly onto the wall.

Finish

Bronze.

LED Configuration

Each fixture contains one high efficiency Chip on Board (COB) that delivers a total lumen output of 1,810 lumens at an efficacy of 95 lumens/watt. This serves as an ideal replacement for a 70W HPS fixture.

Electrical

Total system wattage of the unit is 19W. The standard unit has a high efficiency driver that operates at 120 V.

Photocell

Included.

Fixture Watts	19W
Lumens	1,810
Efficacy	95 lumens/watt

Rated Life	100,000 hours
Certification	cULus
Color Temperature	5000K (standard)
Warranty	5 Years
Ideal Mounting Height	8' - 12'
Operating temperature	-40°C to +40°C
