RAB
DESIGN

XBAR-LED SERIES
LED AREA LIGHT

The XBAR-LED is a sleek, modern post top area light that is available in 4 wattages and 90 degree beam distribution.

Clear polycarbonate lens that makes the fixture more robust than a traditional glass lens

XBAR1-LED35/75 comes with a switch that allows the installer to select the colour temperature that is required (3K, 4K, 5K)

Die cast aluminum

Post top
Fits over a 3" tenon or pole
