

SPP - 3" ROUND ALUMINUM POLE

The SPP pole is available from 8 feet up to 14 feet in height. The SPP pole is for use with single globe assemblies with the option of a 70 watt HPS ballast 120volts and the following fixtures, Gamma, Torchlite, Small Colonial, Medium Colonial, and the Coachman. Ideal for use in small courtyards, condominiums and apartment buildings.

POLE Extruded aluminum, with a 3" diameter and a 1/8" thickness. Pole has a powder coat paint finish.

BASE Cast aluminum base welded to the pole. Base is held in place with four .5/8" diameter anchor bolts that are to be set into a concrete pad.

ANCHOR BOLTS Four galvanized, .5/8" x 15" diameter, twelve inch long anchor bolts complete with nuts and washers.

BASE COVER Spun aluminum cover with a powder coat paint finish.

OPTIONS Hand hole with cover.

FINISH Standard colours are black and bronze. For custom colours please consult factory.
