

## ALUMET STAGE HID - BY THORN

*By day Alumet Stage is decorative and visually appealing. By night it comes into its own, enabling the designer to create a multiplicity of dramatic lighting effects. The Alumet Stage has four multi-directional spotlights, boosted by various optical accessories, that create a wide variety of adjustable effects without the need to change the position of the luminaire.*

**HEAD** 1.25 meter head sealed and rated to IP65 with cast aluminum top cap

**DIFFUSER** Clear UV stabilized PC diffuser treated with anti-graffiti varnish

**COLUMN** Available with a 3 or 4 meter column that can be surface mounted or direct burial.
